

5. Open German Championships Single Events / Relays

Announcement

April 12th to 14th, 2024

Düsseldorf

5. Internationale Deutsche Einzelstrecken-
Meisterschaften im Rettungsschwimmen

1 Organizer and Host

Organizer: Executive Committee DLRG e.V.
Im Niedernfeld 1-3
31542 Bad Nenndorf
dem@dlrg.de

Host: DLRG Bezirk Düsseldorf e.V.
Niederkasseler Deich 295
40547 Düsseldorf

The organizer expressly reserves the right to cancel, postpone or change the event at short notice in parts or as a whole due to official requirements, its own risk and safety assessments as well as for special reasons, further to introduce special regulations, in particular on participation restrictions, succession procedures, requirements for stay and security measures, which may contradict the applicable regulations.

This reservation extends to all elements of the following invitation. The organizer assumes no liability for costs incurred by divisions if they enter into contractual obligations with third parties, e.g. for accommodation services.

Registration fees will be refunded proportionately in the event of cancellations or partial cancellations. Additional costs of the outlines cannot be reimbursed.

2.4 Eligibility

The Open German Championships (**DEM**) are open to individuals and teams from clubs or lifesaving units of ILS full members.

The team members shall comply with section 13.4 *ELIGIBILITY TO PARTICIPATE IN Interclub OPEN AND YOUTH TEAMS LWC* of the *ILS-LWC-2024-Handbook-Final-May-2023-Clarification-V6-Dec-23-Final* and the adaptations as follows:

All team members must be in good standing with a current ILS Full Member

To be eligible to compete in the DEM2024, competitors shall:

- Be bona fide members in good standing of an eligible current ILS Member and eligible to compete as determined by the National Lifesaving Organization (NLO).
- Have been members of their ILS NLO for a continuous period of at least 90 days prior to the first day of the DEM (i.e. April 12th, 2024).
- All be members of the same lifesaving club, or lifesaving "unit" of a national lifesaving organization and not a composite team from multiple clubs or units.
- Attain the required age for the age classes as detailed in section 2.2.

For entry into the DEM, national lifesaving organizations shall provide an endorsement declaring that competitors meet the eligibility requirements listed above. The clubs are requested to send this endorsement as PDF or JPG to dem@dlrg.de not later than the official registration deadline. A template is attached at the end of this announcement (attachment 3).

For the sake of clarification:

- There is NO limit on the amount of team members from a club or lifesaving "unit".
- National Teams are not eligible to compete in relay events since this would lead to unfair competition conditions between clubs and national teams.
- NLO may register single competitors as national team if not registered by their club or lifesaving "unit".
- The organizer intends to offer a World Games 2025 qualification competition for relays limited to national teams. Such qualification competition will be offered in line with ILS rules as separate competition embedded into the schedule of the DEM2024. Details will follow in a separate announcement provided the ILS sanctions this event as WG2025 qualification event for relays of national teams.

All competitors must meet the entry times as detailed in attachment 2. Here, results achieved since 01.01.2023 at national or international official competitions conducted in a 50m pool may be considered. Additionally, entry times achieved at a 25m pool in an official championship will be accepted as well.

Result lists / recordings must provide evidence on competition type, organizer and host, venue and pool dimensions, and preferably chief referee and staff.

The organizing committee assumes, that all registration entries are fairly reported and will not check the eligibility to compete in advance.

However, if entry times are not met in the heats, the competitor will be sanctioned with an increased entry fee (IEF) as detailed in section 2.4.1

2.4.1 Increased Entry Fee (IEF)

An increased entry fee of 50 € is added for each heat, where a competitor did not meet the required entry times (attachment 2).

The IEF applies as well for competitors who did not start.

The IEF is also added if a competitor does not appear to a final without checking out not later than 30 minutes after nomination for the finals (essential is the official publishing time of the results for the particular event).

The IEF does not apply, if the club can provide evidence that the required entry time was achieved in a competition without disqualification by means of a result list / recording as detailed in section 2.4.(to be verified till 21.04.2024 by mail to dem@dlrg.de). Also, in case of a withdrawal from a race 30 minutes prior to the start of the first heat the IEF is not due.

The IEF due has to be transferred to the bank account mentioned in section 5.4. The DLRG headquarter will send an invoice to request the payment of the IEF.

2.5 Scoring

All events will have heats and finals. The winner of the final is the international German Champion. Places 1-8 result from the finals, further ranking results from the heats. The first three places will receive medals.

2.5.1 Result Announcement

Interim and final results will be published near the pool. Protests must be submitted within 15 minutes after posting of the results.

Visible results in a video stream and current intermediate results on the DLRG homepage are not verified recordings and therefore non-binding.

Protests will only be accepted if they refer to a result signed by officials being published in the swimming hall.

2.5.2 Award Ceremony

The Award Ceremony will take place immediately after the respective final in the pool area, respectively immediately at the end of the competition on Sunday afternoon.

2.6 Rulebook

The DEM 2024 is performed in accordance with the

ILS-2023-ILS-Competition-Rulebook-FINAL-June-2023-Clarification-V4-Dec-23

For further information see: <http://www.ilsf.org/lifesaving-sport/rules>

If the ILS publishes an update after the publication of this announcement and before the DEM2024, the new rules will apply. In case of discrepancies between the ILS Competition Rulebook and this announcement the latter shall prevail.

2.7 Membership documents

For non DLRG participants eligibility will be confirmed in advance by an endorsement of the respective national ILS federation.

The organizer reserves the right to check the identity of the participants by means of an identity card or passport.
